

WINTER UPHILL TRAVEL POLICY
Updated 1/17/17

- **WARNING!** In accordance with Massachusetts law, a skier assumes the risk of any injury or loss resulting from any of the inherent dangers and risks of skiing and may not recover from any ski area operator for any injury resulting from any of the inherent dangers and risks of skiing including variations in terrain, surface or subsurface snow, ice conditions or bare spots; collision with natural objects, man-made objects or other skiers; and the failure of skiers to ski within their own abilities. ***Your uphill travel (and resulting downhill travel) is at your own risk!***
- Ski Patrol at Jiminy Peak is only available when the ski area is open during normal operating hours.
- All skiers/boarders, ***including those traveling uphill, must have a valid pass or ticket during posted operating hours.***
- All skis or snowboards must be equipped with a brake or leash.
- Preferred route for uphill travel is John Hancock trail.
- All uphill skiers must travel single file and only along the side of the designated uphill trail.
- Jiminy Peak reserves the right to close uphill trails or terminate uphill travel without notice.
- Stay clear of all snowmaking and snow grooming operations. Winch cable grooming may be in operation both day and night.
- Pets are not permitted on trails.
- Sledding, tubing, sliding on trays or other devices that are not skis or snowboards (regular or adaptive) is strictly prohibited on all trails.

All uphill skier traffic is prohibited during early and late season when Jiminy Peak is not operating.
